EDUCATION

2025 - ongoing	PhD in Astronomy Thesis with working title "Physical Characterization of Superclouds", supervised by Univ.-Prof. Dr. João Alves.	University of Vienna
10/2023 - 08/2025	Master of Science in Astronomy Thesis titled "Hidden Patterns in the Dust: A Segmentation Study of the Local ISM", supervised by Univ.-Prof. Dr. João Alves, graduated with honors.	University of Vienna
10/2020 - 08/2023	Bachelor of Science in Astronomy Thesis titled "Multiwavelength Studies of Exoplanet Host Stars", supervised by Dr. Yanina Metodieva.	University of Vienna

PUBLICATIONS

Q ADS Search

Kormann, L. A., Alves, J., & Hunt, E. in preparation,
The superclumps of the local Milky Way: Supercloud fragmentation and the sites of star formation.

Quintana, A. L., Wright, N. J., **Kormann, L. A.**, Alves, J., Katz, D., Casamiquela, L., Di Matteo, P., et al. 2026,
A new Gaia census of OB associations within 1 kpc. MNRAS, 549, stag853.

Kormann, L. A., Alves, J., Pantaleoni González, M., Swiggum, C., Enßlin, T. A., & Edenhofer, G. 2026,
The superclouds of the local Milky Way. A&A, 706, A161.

CONTRIBUTED TALKS AND POSTERS

Talk	ISTA-DoA Wienerwald Astronomy Symposium, Vienna Connecting Superclouds and Local Star-Forming Regions	2026
Talk	Austrian Early Career Conference, Salzburg The Superclouds of the Local Milky Way	2026
Poster	Stellar Origins 2025, Vienna The Superclouds of the Local Milky Way	2025

AWARDS

Award	Austrian Physical Society Students' Award for an Outstanding Master's Thesis	2026
Scholarship	Performance Scholarship at the University of Vienna	2023 - 2025

TEACHING EXPERIENCE

Teaching Assistant	Interstellar Medium and Star Formation (BSc level, WiSe26)	University of Vienna
	Galactic Structure and Stellar Systems (BSc level, SoSe26)	University of Vienna

COMMUNITY AND OUTREACH

Community	Senior Editor of the Star Formation Newsletter	2026 - ongoing
	Part of the Sustainability Working Group at the Department of Astrophysics	2026 - ongoing

	Local Organizing Committee, Stellar Origins 2025	2025
Outreach	Lange Nacht der Forschung, University of Vienna	2022/24/26
	Guide at the VEGA Observatory, Haus der Natur Salzburg	2018 - 2024
